CARY TENNIS PARK

WELCOME

Dear Fellow Tennis Enthusiasts:

Cary is proud to host the men's professional tennis tournament — Atlantic Tire Championships. We invite you to come out and enjoy this very exciting event. The Championships will showcase the best tennis professionals in the world and serve as an opportunity to highlight what an incredible community we have here in Cary. We're also confident that throughout the Championships, you'll see examples of our commitment to excellence, from the quality of our courts and our seamless operations to the warm and friendly folks who have been working to make it all happen.

Speaking of operations, to our volunteers, donors, and sponsors, we offer our sincerest thanks. It takes many hands and countless hours to run an event of this magnitude. The support we've received is invaluable and a key part

of success. Thank you for being a part of the Atlantic Tire Championships. Enjoy the world class tennis at what I, an avid tennis player, believe is the best tennis facility in the country: Cary Tennis Park.
